Our Vision

Our vision is a world where families are whole, cycles of incarceration are broken, and communities stand united in resilience and compassion. **Co-Parenting Ikigai** strives to create a future where every parent returning from incarceration is empowered to rebuild healthy relationships, every youth is guided toward hope instead of prison, and every individual find safety, support, and purpose. Through education, mentorship, and rapid response, we envision communities that thrive on connection, healing, and shared responsibility.

One Ticket Purchase for Dad and Child include -

- A made-to-order tuxedo donated by Amor Suits
- Dinner catered by 1930 Classic Kitchen
- Dancing
- Games
- A surprise gift for the father and child
