

HOLIDAY RESOURCES

Regardless of what holiday you celebrate, it should be joyous!

General Resources

- **The Ray Way is a weekly resource directory that covers both Missouri and Kansas. It can be downloaded for free at: www.jacksoncountysoc.com. There are more than two dozen categories of assistance including a category specific to holidays.**
- **The Kansas City Street Sheet is a quarterly listing of multiple kinds of resources and can be downloaded at: https://kclibrary.org/sites/default/files/2026-09/SS%202026.09_1.pdf.**
- **211 in Kansas City may be able to offer related resources.**
- **The SOC is able to assist individuals and families in need over the holidays. This is in limited quantities and may consist of actual specific items or gift cards so that they may be purchased. We do NOT accept referrals directly from consumers, only workers, educators, clergy, someone**

in a professional role with the family who can vouch for the need and that other resources were first attempted. First come, first served. Never hurts to ask! Please reach out to: Jennifer.LHeureux@dmh.mo.gov.
